2009 Region 5AAAAA Champion – 125 lbs  
2009 State AAAAAA Runner-up – 125 lbs

In a year of transition for the Hoya program, you not only showed that you are a great wrestler, but also the quiet leader of our young team. You demonstrated the drive, discipline and determination that a coach looks for in his athletes. This attitude will serve you well in your future endeavors.

**Ryan Wendt** - Freshman 103 lbs  
2009 Sectional Qualifier – 103 lbs

As a first year wrestler you became feared by everyone that you wrestled. Your aggressive style and raw determination made you a very dangerous opponent. With more practice and improved technique you could be one of the state's best.

**Lucas Mosher** - Senior/ Captain 112 lbs  
2009 Hoover Alabama Champion – 112 lbs  
2009 Region 5AAAAA Champion – 112 lbs  
2009 State AAAAA 6<sup>th</sup> place – 112 lbs

The year was full of challenges for you. You had to endure many setbacks and adversity. Through it all, you were able to establish yourself as one of the state's best wrestlers as well as a top student. The lessons you learned this year will add special meaning to your future accomplishments.

**Alex Condon** - Junior 135 lbs  
2009 Sectional Qualifier – 135 lbs  
2009 Hoover Alabama Champion – 135 lbs

This year you stepped out of a shadow and into the spotlight. Along with establishing yourself as one of the best wrestlers in the state, you made it clear by your actions every day that you are a leader. This dedication and discipline is what will place you on the podium next year.

**Peter Mosher** – Senior/ Captain 119 lbs  
2009 Cobb County Champion – 119lbs  
2009 Region 5AAAAA Champion – 119 lbs  
2009 State AAAAA 4<sup>th</sup> place – 119 lbs

The ability to balance academics and athletics successfully is not an easy task. You exemplify the meaning of scholar/athlete. Not only did you thrive in the classroom, but you more than excelled on the mat. As Cobb County Champion, Region 5 AAAAA Champion and 4<sup>th</sup> place finisher in the state, you accomplished more than most wrestlers dream of. Your discipline in the classroom and in wrestling competition will lead you to great success in the future.

Starrs Mill Champion – 152 lbs  
2009 Region 5AAAAA Champion – 152 lbs

You came into the season under the radar. Because of your hard work, dedication and willingness to accept change, you quickly transformed into one of the state's

finest wrestlers. Although your season ended early, it didn't detract from the great things you accomplished.
